

Why Learn Ukrainian?

- to gain an appreciation of the rich language and culture of the Ukrainian people
- to gain basic knowledge of spoken and written Ukrainian in a fun and supportive environment
- to enhance Ukrainian language skills
- to improve the grammatical structures, verbal usage and pronunciations that you presently use
- to learn Ukrainian cultural traditions
- to learn some of the liturgical language used in Ukrainian churches
- to communicate with your children and grandchildren, and support them in learning the Ukrainian language
- to communicate with Ukrainian speakers
- to communicate with new immigrants from Ukraine
- to communicate with friends and family in Ukraine and assist you in travel in Slavic countries
- to learn the language of economic and cultural opportunities in Ukraine
- to be a role model for your child attending a Ukrainian Bilingual Program in the school system
